

COCIE Listserv

The Listserv is a dedicated list of 600± commercial real estate professionals.

- The COCIE listserv is a method of communicating via email to a group consisting of COCIE members and other commercial real estate professionals. This listserv is to share listings as well as clients' requirements.
- Any commercial real estate professional is eligible to receive listserv emails. However, only COCIE members can send to the listserv.
- This is a benefit of your COCIE membership. There is no additional charge to use the COCIE listserv.
- **COCIE members:** Simply send an email with a listing or property needs/client requirements to list@cocie.org. You will receive emails COCIE members send to the listserv.
- **Non-COCIE members:** To receive emails, go to www.cocie.org and register or contact Brian Irwin at brian@columbusrealtors.com. You can unsubscribe at any time.
- All emails are monitored by COCIE.

What is COCIE?

The Central Ohio Commercial Information Exchange (COCIE) is a comprehensive property database that, unlike a listing database (i.e., a traditional MLS), includes an inventory of all properties, whether listed or not. Moody's Analytics is the preferred vendor for COCIE.
