BRIAN BAINBRIDGE

I'm a relationship-driven REALTOR® who wakes up grateful for the chance to serve people. My faith guides how I show up — seeing every client, team member, and co-op agent as someone to value, support, and serve. Born and raised in Worthington, with a B.A. from Huntington University, I'm currently pursuing my broker's license. I've earned multiple sales awards, and I love building long term relationships with clients. I also have a heart is in strengthening our profession and supporting fellow agents. I simply want to give back to the industry that has given so much to me.

When I'm not working with clients, I love spending time with my wife Nikki and our two sons. Whether it's being outdoors, coaching, or just enjoying time together as a family, those moments are what keep me grounded. I also enjoy playing guitar and singing, learning history, and serving on community-focused boards.
