## **KARA MCcREARY**

---

My journey into the world of real estate began nearly a decade ago through investing and has enthusiastically grown into a career centered around serving people and their communities. I'm entering my fifth year as a Realtor with The Columbus Agents. I'm passionate about helping clients navigate important life transitions, especially when it comes to real estate. Advocating for buyers and sellers through smart strategy, honest advice, and a community first approach are foundational pillars in the way I serve my clients.

At home, being a mom to my three girls will always be my most treasured title. Outside of real estate, I'm a huge fan of women's basketball and live music, an avid hiker, and I love traveling whenever I get the chance—especially when it involves exploring our National Parks.
