LEANNE STEIFF

I am a dedicated to serving Licking County and the surrounding Central Ohio communities. I am passionate about helping buyers and sellers at every stage of life—from first-time homeowners to those right-sizing into their next chapter. My goal is to provide clear communication, strong marketing strategies, and a smooth experience for every client I serve.

I take pride in my knowledge of the local market and my commitment to guiding clients confidently through the real estate process. Building lasting relationships and helping people find the right place to call home is the most rewarding part of my work.

Outside of real estate, my greatest inspiration is my adult daughter, who motivates my involvement in community initiatives and advocacy for those with Special Needs. She reminds me daily that real estate is about more than transactions—it's about supporting families and strengthening the communities we call home. I also enjoy reading, crafting, day trips and time with family.
