MARISA WEBB

As a lifelong resident of Columbus and a graduate of The Ohio State University, I am proud to call Upper Arlington home where I live with my husband, Ryan, and our dog, Millie.

I come from an Italian family and grew up working in our family's restaurant, DaVinci Ristorante. Those early years taught me that hospitality isn't just about service — it's about relationships, trust, and treating people like family. Serving others truly is in my blood. Real estate runs deep for me as well; my dad was a Realtor for more than 40 years, giving me a lifelong appreciation for the industry and the people who make it thrive.

I have been with Northwest Title Family of Companies for 21 years. Over the course of my career, I've worn many hats — from processing to sales — which gives me a well-rounded perspective and deep understanding of the closing process from start to finish. While I value every role I've held, I especially love the sales side of the business. Building relationships, supporting clients, and helping others succeed is one of the most rewarding parts of what I do. Outside of work, you can find me on the pickleball court, reading historical fiction, or golfing and playing backgammon with Ryan.
