Vi Nguyen is a Realtor with Coldwell Banker and the owner of A&S Remodeling, bringing both businesses together under one roof through 614HomeSolutions. With a unique combination of hands-on construction experience and real estate expertise, he helps homeowners and investors improve properties and maximize long-term value.

Born in Vietnam in 1972, Vi left the country with his family in 1974 and was sponsored by a church in Hartford, Connecticut in 1975. That journey shaped his deep appreciation for hard work, opportunity, community, and a profound love for this country.
